

CAN in Automation (CiA) presents:

16th international CAN Conference (iCC)

Historical city hall, March 7 - 8, 2017

CiA GmbH invites you to sponsor the 16th international CAN Conference. The lectures will cover all CAN applications. A full overview of CAN-based systems and CAN-connectable products - from chip level to system solutions - will be offered.

The 16th iCC will be accompanied by a tabletop exhibition enabling companies to present their latest products: semiconductors, devices, software, and tools.

Please see details regarding sponsorship of the 16th iCC on the reverse page.

If you have any questions with regard to sponsoring, please contact me at +49-911-928819-13 or by email scheib@can-cia.org.

Best regards,

Gisela Scheib
CAN in Automation

Sponsorship rights

1. CiA prints the names of the sponsoring companies on all conference material: conference program, invitations, conference proceedings, advertisements, press releases, and press invitations.
2. The sponsoring companies get a free-of-charge table in the tabletop exhibition.
3. CiA will publish the company profile of the sponsoring companies at the iCC pages at CiA's website, as soon as they receive the signed sponsorship agreement, company logo, and text of the profile.
4. The sponsoring companies get five free tickets for attending the conference. Sponsoring companies are allowed to give their free tickets to customers or business friends.
5. The sponsoring companies will be included in a joint full-page add in the CAN Newsletter magazine and in banner ads in the CAN Newsletter Online as well in CiA's Weekly Telegraph.
6. The sponsoring companies will be member of the iCC Program Committee.
7. The sponsoring companies' profile will be included in the iCC proceedings.

Sponsorship requirements

1. The sponsoring companies pay the amount of 4 000,00 € to the conference organization.
2. The sponsoring companies support CiA in distributing the call for papers and announcements as well as any other information material related to the conference.
3. The sponsoring companies will actively promote the collection of papers among their customers and business partners.
4. The sponsoring companies are requested to distribute conference information to their customers and business partners.

- We will sponsor the 16th iCC with 4 000,00 € net (4 760,00 € incl. German VAT).
